Run a StudyMesh pilot at your university

Stage 1 - Free pilot cohort

Traction: Piloting with students at Columbia and NYU.
Cohort size: 1-2 campuses (Stage 1)
Scoping: 30 minutes
Deployment: Under two weeks
Compliance: FERPA / GDPR aligned

Schedule-aware and learning-style-aware AI matching forms study groups that actually work together -- weighted on availability, learning preferences, subject strengths, and working styles. Built FERPA- and GDPR-aligned from day one.
